

JACOB LACROIX-CARDINAL

OBJECTIVE

In the future, i look to get a Bachelor of Arts in Computer Science at the RMC (Royal Military College) and work for the military; education is paid, i get a good pension plan and a great reputation. As of my early retirement, i plan on working as a Web Designer for on-the-side money.

EXPERIENCE

WEB DESIGNER, JACOBSWEB CORNWALL, (www.jacobsweb.ca)

I have worked with a few clients as well as my partner, Raymond Lacroix, in the field of web design and computer sciences, including programming, repairing and installing computers.

CHESS COACH WITH AU DIAPASON (CHESS FOR KIDS)

I was first invited to the Au Diapason staff to coach beginner students in Kapuskasing, Ontario. I then became a judge for tournaments in the region and I am now directing school tournaments as well as organizing them.
